

Business Counseling for Small to Medium Size Companies

Do you have problems in your business and are concerned about the cost of working with the large consulting firms? Would you like to have some expert counseling from people who have been owners and operators of small and medium sized businesses?

We can provide fast, affordable and effective business counseling in the following areas:

- General management
- Sales and marketing
- Finance
- Technology
- Business plans
- Government relations
- Real estate management
- Human resource

We can even help solve problems with family members in your business. All of these services are offered at a reasonable cost! Please contact us for a short telephone interview, free of charge, to explore how we might help you.

We have been helping businesses since 1969.
